VOTE FOR OUR SHAREHOLDER PROPOSAL TO ENSURE INDEPENDENT  
TRUSTEES AT UNIVERSAL HEALTH REALTY INCOME TRUST

Annual Meeting of Shareholders  
Universal Health Realty Income Trust  
May \_\_ 1999, \_\_a.m.  
King of Prussia PA

Dear Trust shareholders:

Please vote for our shareholder proposal to prevent  
conflicts-of-interest among the so-called "independent" trustees  
of the Trust. The only way to vote for this proposal may be the  
enclosed proxy card.

We own Trust stock and also represent employees of the  
Trust's primary "Advisor", Universal Health Services ("UHS")  
UHS is also the Trust's primary tenant.

We believe the best way to ensure all transactions between  
the Trust and UHS are fair to shareholders is to have a majority  
of trustees be truly independent of UHS.

We question whether such independence is achieved by the  
current Declaration of Trust, the document governing the Trust.  
A majority of trustees are currently deemed "independent" under  
the Declaration, but the Declaration defines this term in an

interesting way.

Thus for many years (until 12/98), Michael Walker was an "independent" trustee -- but he was CEO of Genesis Health Ventures, which had on its board of directors the CEO of UHS (Alan Miller). Miller even served on the Genesis compensation committee which set Walker's pay.

"Independent" trustee James Dalton, Jr. is the CEO of Quorum Health Group: his company is involved in a 3-hospital joint venture with UHS in the Las Vegas area.

Relationships with UHS like these could obviously make it harder for a trustee to say "no" to demands made on the Trust by UHS.

---

For more information, see section below entitled "Proxy Solicitation."

UHS saw its annual net income grow by over 175% from 1994 thru 1998; while the Trust's net income increased by only two-tenths of one percent in the same period. Obviously many factors affect the profitability of the two companies. We in no way suggest trustees made improper decisions -- that would require analyzing data to which we do not have access.

We feel shareholders should not have to worry in the least that trustees are favoring UHS at the Trust's expense because of trustees' outside business relationships with UHS.

#### TEXT OF PROPOSAL AND CURRENT DECLARATION OF TRUST

Please support the following proposal to avoid conflicts-of-interest among independent trustees overseeing the Trust:

WHEREAS, under the current Declaration of Trust, a majority of trustees must be "Independent Trustees", and a majority of Independent Trustees must approve the Trust's agreement with its Advisor (UHS), which is also the Trust's primary tenant;

AND WHEREAS the term "Independent Trustee" is currently defined by the Declaration to allow such trustees to be major suppliers or customers of UHS, or executives of major suppliers or customers or joint venturers of UHS, or executives of companies which have UHS officers on their own boards, including even these boards' executive compensation committees;

WHEREFORE, shareholders recommend that trustees support amending section 1.4(1) of the Declaration to read as follows: "'Independent trustee' shall mean a trustee who (i) is not an Affiliate of the Advisor and personally performs no services for the Trust except as trustee; and (ii) in the last 3 years has not personally engaged in (or served as an officer, director, general partner, employee, or trustee of any business entity which engaged in) any of the following: (a) being in a partnership or joint venture with the Advisor or Trust; or (b) having on its own governing board any executive of the Advisor or Trust; or (c) buying from or selling to the Advisor or Trust more than \$10,000 in goods, services or property in any year."

Compare this to the existing language of the Declaration of Trust. Section 1.4(1) provides: "'Independent Trustee' shall mean a Trustee who, in his individual capacity, (i) is not an Affiliate of the Advisor and (ii) does not perform any services for the Trust except as Trustee." This definition is further

Annual net income was as follows (in mil.):

	1998	1997	1996	1995	1994
Trust	14.3	14.0	14.2	13.6	14.3
UHS	79.6	67.3	50.7	35.5	28.7

narrowed by the Declaration (section 1.4(c)) defining "Affiliate" to ignore suppliers, contractors, consultants, customers, joint venturers, and other business relationships which might make the trustee feel beholden to UHS:

"'Affiliate' shall mean, as to any Person, (i) any other Person directly or indirectly controlling, controlled by or under common control with such person, (ii) any other Person that owns beneficially, directly or indirectly, five percent (5%) or more of the outstanding capital stock, shares or equity interests of such Person, or (iii) any officer, director, employee, general partner or trustee of such Person or of any Person controlling, controlled by or under common control with such Person (excluding trustees who are not otherwise an Affiliate of such Person)."

#### SUMMARY OF RELATIONSHIP BETWEEN THE TRUST AND UHS

In 1998, UHS subsidiaries were the principal tenants of 7 of the 9 hospitals owned by the Trust. The UHS leases accounted for 75% of the Trust's total revenues for the 5 years ended 12/31/98.

The Trust's officers are all also UHS officers. The Advisory Agreement between the Trust and UHS is renewable annually, subject to approval by a majority of independent trustees. The Trust paid UHS \$1.1 million for advisory services in FY 1997.

Currently, 4 of the 6 trustees are deemed "independent" under the current declaration of trust. A seventh trustee, Mr. Walker, resigned as trustee in December, 1998. We do not have information suggesting trustees other than Mr. Dalton would be affected by our proposal.

More information about the trustees and the relationship between UHS and the Trust is contained in the Trust's latest proxy statement at pp. \_\_\_, incorporated herein by reference.

#### VOTING PROCEDURE AND IMPLEMENTATION OF PROPOSAL

IT IS POSSIBLE THAT MANAGEMENT'S PROXY CARD WILL NOT INCLUDE OUR PROPOSAL. WHILE WE HAVE ASKED MANAGEMENT TO INCLUDE IT, MANAGEMENT DID NOT RESPOND. IT IS POSSIBLE THE ENCLOSED CARD WILL BE THE ONLY WAY YOU CAN VOTE FOR THIS PROPOSAL.

We will keep all cards we receive confidential until the meeting, unless ordered otherwise by a court.

IF YOU HAVE ALREADY VOTED, YOU CAN CHANGE YOUR VOTE. Only the latest-dated proxy card is counted. Any proxy may be revoked prior to being counted at the meeting by (1) signing and dating a new proxy card; or (2) appearing at the meeting to vote; or (3) sending a written revocation to the proxyholder: the Company's address is 367 South Gulph Road, King of Prussia PA 19406, (610) 265-0688 (tel).

Passage of the proposal will require a favorable vote by a majority of stock represented at the meeting. We intend to mail this statement to a majority of voting power of the stock.

The proposal is non-binding. If all trustees or all but one approve, it would be submitted for shareholder ratification; under the Declaration, approval by a majority of shares eligible to vote is required. The proposal leaves the timing of implementation to board discretion: we expect the board would time this so as not to force any existing trustees to resign, but no assurances can be offered as to future board decisions in this regard. It is possible that introduction of, voting upon or adoption of the proposal might positively or negatively impact the relationship between the Trust and UHS.

The enclosed proxy card grants no discretionary authority: we will vote solely as you instruct us. If matters come before the meeting which are not set forth in this proxy statement or management's proxy statement (which we do not anticipate), then we will not vote your shares on these matters. If you sign the enclosed card but do not instruct us how to vote, we will vote your shares FOR our proposal and not vote in the trustees' election. We incorporate herein by reference the discussion in

management's proxy statement of voting requirements, record date and outstanding securities.

#### PROXY SOLICITATION

This solicitation is conducted by Culinary Local 226, which owns 56 shares in the Trust. Culinary has interests in UHS activities beyond its UHT stock ownership: Culinary represents over 40,000 employees in Las Vegas, including approximately 100 employees at UHS' Valley Hospital. Culinary is negotiating with UHS for a new agreement. Culinary has petitioned to compel arbitration over a grievance concerning UHS's failure to apply the agreement to Desert Springs Hospital after a majority of Desert's unit employees designated Culinary as their representative. No work stoppage or picketing has occurred. Culinary does not ask for your support in these matters, and does not believe them relevant to how you should vote as a Trust shareholder. Neither hospital is owned by the Trust. Regardless of the outcome of labor matters, Culinary will vote each proxy card it receives in accordance with the shareholder's instructions. Culinary has not offered to trade its shareholder activities for labor concessions. Such shareholder activities may have no effect on labor relations, or propel settlement, or so anger management as to prevent settlement. Culinary will bear all solicitation costs (anticipated at \$7500 ) and will not seek reimbursement from the Company. It intends to solicit proxies by mail, fax, phone, e-mail and meetings using regular staff.

#### OTHER MATTERS SET FOR SHAREHOLDER VOTE

We incorporate by reference the information in management's proxy statement on other matters before the shareholders for a vote.

#### EXECUTIVE COMPENSATION/STOCK OWNERSHIP OF MANAGEMENT, TRUSTEES AND 5% OWNERS/ELECTION OF TRUSTEES

Information on these matters is contained in management's proxy statement (pp. \_\_\_\_\_, incorporated by reference herein).

#### FUTURE SHAREHOLDER PROPOSALS

You can contact us if you wish further information with respect to shareholder rights in making proposals. The deadline for shareholders to submit proposals for inclusion in management's proxy statement in 2000 will be December \_\_, 1999.
